## LOCAL NEWS.

### Items Gathered From the Town and Country.

Christmas just 24 days.

Court at Halifax Monday.

Put your girl in nomination today.

Thanksgiving day was very quiet in Scotland Neck.

The farmers are about through gathering their crops.

Our voting contest is now on in earnest. Let every body get busy and make it lively from the start.

Our friend, Mr. A. A. White, is quite sick at the home of his son, Mr. A. B. White, about five miles from town. We hope he may be restored to health.

Mr. Harper Alexander has purchased the Baptist parsonage and has moved there. We understand the church will select a more desirable location for a parsonage.

The County Commissioners meet in regular session at Halifax Monday. It will be quite a busy day, for the county officers will file their bonds and be sworn in for another term.

On account of the absence of the pastor, who is attending Conference, there will be no preaching at the Methodist church Sunday morning. Prof. J. B. Aiken will conduct service at night.

We understand that Messrs. Chas. A. Jones and J. E. Bowens have rented Prince's stables and will conduct a sales stables. They expect their first carload of horses to arrive in a few days.

\$80.00 per month straight salary and expenses, to men with rig, to introduce our Poultry Remedies. Don't answer unless you mean business. Eureka Poultry Food Mfg. Co. (Incorporated) East St. Louis, Ill.

The attention of all our readers is called to the advertisement of E. T. Whitehead Company appearing on this page. This firm is going to give away free a beautiful diamond ring to the lucky one—read about it.

A colored man by the name of Herbert Whitaker, living a few miles from town, lost by fire, several nights ago, his barn and stables, a new buggy, a half bale of cotton, some fodder and farming utensils. It is not known now what was the cause of the fire. No insurance.

Mr. Frazier H. Bunch has opened up a shoe repairing shop next door to Prince's stables. In connection with his shoe work Mr. J. J. Lassiter will make mattresses and do all kind of upholstering work. See advertisement in another column and give these afflicted men a trial when you need any thing in their line.

Miss Georgia Anna Steptoe did at the home of her nephew, Mr. W. N. Steptoe, near town early Sunday morning. The burial took place Monday in the Episcopal cemetery, Rev. G. C. Bradley conducting the burial service at the grave. Miss Steptoe was about 70 years old and had been living with her nephew for a number of years.

### Left for Conference.

Rev. Charles A. Jones left Tuesday morning for Elizabethtown City where he is attending the annual session of the North Carolina Conference, Bishop Hendrix presiding. Mr. Jones carried a good report to conference, every thing paid in full. This closes Mr. Jones third year as pastor of the Scotland Neck Methodist church. He has done well in his work and made many friends with the public generally. We have heard many expressions of hope that Mr. Jones may be returned for another year.

Miss Pattie Thorne, of the Washington graded school, and Miss Rebecca Knight, of the East Carolina Teachers Training School, were pleasant visitors at the home of Mrs. O. N. McDowell from Thanksgiving day to Sunday. Both these ladies were former popular teachers of the Scotland Neck graded school and they have many friends here who are always glad to see them.

### AN ENJOYABLE ENTERTAINMENT.

Philathea Class Holds Service at County Rene. Other Halifax News.

Halifax, N. C., Nov. 29.—On Wednesday evening of last week in Hux's hall there was a most enjoyable entertainment by the children of the town. Mrs. N. L. Stedman had for sometime had them in training and with patience, perseverance and pluck, drilled them so that they did their part splendidly and reflected credit on the trainer. Mrs. Stedman was assisted by the other ladies of the town. She wishes to acknowledge their kindness and help in so many ways and offer her most sincere thanks. The entertainment was for the benefit of the Baptist church. The proceeds amounted to over forty dollars. We would like to say something about the program, the different parts, and the part each child played, but space forbids. We were charmed with the "Merry Sailors" by the boys; "Tripping," and "Rainbow" by girls; "Country Girl" by Master Emil Gowan, and Miss Maxine Westphall; and an instrumental solo by Miss Margaret Foster.

The Philathea class of the Methodist Sunday school went out to the county home Sunday morning and held a little service which was enjoyable and we think helpful. They left an appointment for each 4th Sabbath morning. These young ladies will do good work we are sure as each is trying to be an active worker, filling their place as best they can.

Mr. J. K. Elliott, with his friend, Rev. Mr. Trueblood, of Wake Forest, spent Thanksgiving here with friends. Mr. Trueblood filled an appointment at the M. E. church Thursday evening.

Mrs. N. L. Stedman had for her guests during Thanksgiving the following ladies: Mrs. Geo. Andrews, of Enfield; Misses Julia Rhem and Jennie Small, of Tillery; Miss Helen Pope, of Weldon; Mrs. Dr. Register, of Tillery.

Milton Norman, of Warrenton, spent Thanksgiving with his parents.

Miss Nettie Gilliam returned to Roanoke Rapids Sunday.

Mr. P. H. Westphall left a few days ago for Cuba on business.

Mr. H. W. Gowan left Tuesday for Florida and other Southern States on a business trip.

Miss Lucy Butts returned to Franklin Monday, having spent Thanksgiving with her parents.

Mr. and Mrs. W. D. Burwell, of

Henderson, spent Thanksgiving week here.

Miss Mary Mabry, of Weldon, has been spending some days with the Misses Butts.

Mr. William Dickens, of Weldon, was a visitor here Thanksgiving week.

Mrs. L. C. Grady has returned from a visit to relatives in Duplin county.

Miss Bessie and Master LeRoy Twisdale have returned from a visit to Spring Hill.

Messrs. W. E. and John Fenner, Jr., of Rocky Mount, were here a few days ago to see their people.

A large "buck" was killed last Saturday morning over the river by Mr. W. E. Fenner.

Messrs. John and Walter Bass have moved their families to the Howerton residence on Main street.

Post Master W. A. Wilcox on last Saturday morning examined a class of four candidates for rural routes running out from Scotland Neck.

### No Court.

On account of the sickness of Judge M. H. Justice, there is no court at Halifax this week. The Judge hopes to be able to have court next Monday, the 5th, and all Jurors, witnesses, and suitors are summoned to be present on that day.

The criminal docket is rather large there being 28 prisoners in jail awaiting trial.

When you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by all dealers.

## Despair and Despondency

No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The features so bravely endured completely upset the nervous system and continued.

Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Do not let medicine dealers sell it, and have nothing to tell you when you ask "just as good."

It is non-secret, non-alcoholic and has a record of forty years of cures. As a Your Neighbors. They probably know of some of its many cures.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to pay cost of mailing them, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, with data edition, in paper covers, in handsome cloth-binding, 31 stamps. Address: Dr. J. C. Pierce, Buffalo, N. Y.
